

## Text C

Dear Emily,
I did a fantastic course with my friends. We made some short films. We learned so much and it was great working as a team. The teachers were filmmakers, too. We didn't need special equipment – some of the others even used their mobile phones. I'm going to enter my film in a competition. It's about of group of boys lost in the forest – very scary! I hope you're not too afraid when you see it! I'll send you a copy.
You never know – I may be a famous director one day.
Love, Pete
