Subject: My big prize to the competition.

Hello my dear friend!

Was Amazing! I had to run in a marathon, ^{sixty} ~~70~~ kilometres in two hours, I run with my brother but ~~this~~ ^{he couldn't continue} don't can continuous ~~to~~ in one hour. The runners have to become to finished line in two hours, the marathon ~~is~~ ^{was} in London and this day was raining.

I have lucky this day, because I won the marathon cause ~~the~~ other runner he had an injury before reaching the finish line. ^{In} this moment I was first. The next day I leave the party with my friend in the pub until sunrise. Was ~~tonight~~ amazing.

By kisses regards.
